Remarks

This amendment is an election of species responsive to the office action dated August 24, 2005. The election of for species A drawn to figure 3, and pending allowance of a genus species, is further drawn to the magnetic field expansion device of claims 10-19. Claims 14-16 to the temperature embodiment of species A are withdrawn pending allowance of a generic claim. Claims 1-9 and 20-36 drawn to alternate species of B, C, and D of figures 4 and 9 are cancelled.

With this amendment, the present application is in condition for examination.

Respectfully Submitted,
